## About This Game

Developed by true shooter veterans in Croteam, Serious Sam 4: Planet Badass reignites the classic series by improving on the old-school formula. Enjoy the high-adrenaline action combat with an unbelievably destructive arsenal and experience Sam's iconic enemy-annihilating circle-strafing and backpedaling dance-routine on an even bigger scale.

## KEY FEATURES

### AAAAAAAAAAAAA... BOOM

Serious Sam was always about using whatever comes towards you for target practice and this time it's no different. Fight through giant hordes of relentless foes, both those that defined the franchise like Kamikaze and Kleer and those ready to become iconic in the future.

### Bigger, badder, better

Fight and explore your way through huge environments populated with optional objectives, secrets and deadly ambushes. But, fear not! Serious Sam 4: Planet Badass is still a focused, linear experience you have come to love, and NOT an open-world game.

### Wroom, wroom

Traversing big environments is no easy task. So get your driving skills ready and jump on a motorcycle, a combine or even a bulletproof popemobile and drive your way through unfortunate enemy pedestrians.

### This time, Sam's bringing friends

---

Companions no longer appear only in cut-scenes, but are taking part in the action. Rodriguez, Jones, Hellfire and the rest of the crew are joining Sam in this epic journey through Planet Badass.

## FAQ: The science of Aven Prime:

Aven Prime is a science fiction game. Although we generally emphasize the fiction over the science, it's important to recognize that there is, in fact, real science behind Aven Prime.

Early in development, we reached out to [Prof. Abel Méndez](#), Planetary Astrobiologist and Director of the Planetary Habitability Laboratory at UPR Arecibo, and peppered him with questions related to habitable extrasolar worlds.

Although we felt it best to leave most of the gritty scientific details out of the game (we broadly agree with Jeff Vogel that [less text is usually better](#) [jeff-vogel.blogspot.com] and in-game text not related to gameplay should be minimized), we thought it would be a good idea to gather the definitive answers to scientific questions here.

What kind of world is Aven Prime?. **Summer Sale Bonanza!:**

Hello friends, it's that time where our wallets ask for mercy, its time for SUMMER SALE!

Almost all of Steam's games is on sale, and it couldn't be different with our games, all of them are on sale that can reach 80% off, and to celebrate this wonderful time I'm releasing 2 new bundles and updating a existing one.

- [NukGames Newcomers Bundle](#) - A bundle with our last releases with the biggest possible discount - 80% off

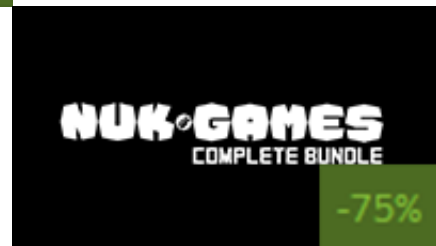

- 
- [NukGames Games Bundle](#) - A bundle with all of our games with a big discount - 70% off
  - [NukGames Complete Bundle](#) - Updated with a bigger discount - 75% off

Don't forget to follow our creators page and if possible invite your friends to do too.

Thank you very much!

Paulo Brunassi - NukGames

#### **Eternal Lords Expansion Announced! Coming to Windows, Mac and Linux:**

Today we announce the rise of the [Eternal Lords!](#)<sup>[ageofwonders.com]</sup> Eternal Lords is the major, second expansion for the acclaimed strategy game Age of Wonders III, marking one year of continuous development since its release.

<https://www.youtube.com/watch?v=6KfC8b2vxow&feature=youtu.be>

With the introduction of the Tigran and Frostling races and the new Necromancer class, players must adapt to a world on the brink of cataclysmic change. New mechanics such as the Race Governance system, which allows players to tailor the features of each race in their empire to meet their strategic needs, add new layers of depth to empire development and diplomacy. Embrace forbidden powers and reign for eternity!

The Eternal Lords release is set for a April 14th 2015 release and available via online stores such as Steam and GoG. The expansion will cost USD \$19.99, €19.99 or local equivalent.. **Update for 9/8/2018:**

Hello again, chefs!

You may have noticed an update for the main game was just pushed to you. It's a small update, it just fixes the name of one of the credits.

The demo was also updated, which fixed a couple typos during the mixing step and also re-arranged that step's layout to match that of the full game.

Thank you, I hope you're enjoying the game!. **Forge of Gods Maintenance:**

There will be a maintenance. Game will be offline from 16:00 (CET) until 17:00 (CET). During this time, the game will be unavailable for play.

Thank you for your patience and understanding.. **Update 1.01.12:**

Optimization changes to reduce resources needed on start up and on some levels. Stay tuned for Act 2 content update for Wormhole City by the end of this year! Thank you all for your continued kindness and support.
